Subject: REVIEW: E&E News Press Inquiry, DDL 3 PM

Importance: High

Hi Kimberly,

I hope you had a great weekend! We got a press inquiry from E&E News regarding the PFAS in pesticide packaging issue. Sorry for the quick turnaround, but we have to get an answer to the reporters by Wednesday. Could you please look over the following answers by **3 PM today**? The answers come from our internal Qs&As, so not a lot of new language.

Ex. 5 Deliberative Process (DP)

Best,
